

RENAULT DUSTER

Robust looks

Built for adventure, All-new Renault Duster is a vehicle of distinctive styling. The tone is set by the aggressive lines and chrome trim of the grille, alongside a raised waistline and powerful C-shaped light signature. These strong, powerful lines are enhanced by 16- or 17-inch alloy wheel rims that underline the car's character. A car to open new horizons.

MODE

for you

The interior of All-new Renault Duster reflects its generous, adventure-seeking nature. The spacious cabin is bright and reassuring. The driver* and passenger seats provide plenty of support to ensure your comfort wherever you go. The upholstery features a high-quality finish, as does the dashboard, where particular emphasis was placed on ergonomic design. Behind the steering wheel, adjustable for height and reach, TFT digital meters invite you on an inspirational and illuminated tour of discovery.

*With armrest and lumbar adjustment.

Easier city driving

Drive with an easy mind. Use the hands-free card to lock and unlock the doors from a distance! You can even start the air-conditioning before getting into the car. All-new Renault Duster likes to take care of you. On the road, the blind spot warning picks up any hidden vehicles, while the speed limiter and cruise control functions help you concentrate on your driving. Delivering real support, in the city and elsewhere!

**Heading for the
wide open spaces**

What could be more exciting than setting out on an adventure with your family or friends? It takes just a few seconds to adapt the modular interior layout of All-new Renault Duster to your needs or requirements: the rear bench seat features a 1/3-2/3 split-fold function, while the boot boasts record loading capacity*. Duster features an array of storage compartments around the cabin, from the doors to the seat backs via the central console. Your passengers enjoy every comfort.

*445 dm³ in the 4x2 version.
